Jerry Yeaney 10:00A-11:00A in ILC104 2	Excel Basics #2 : Create a Histogram and other Charts 1:00P-2:00P in ILC114 "How to use the TI-89" ... Jerry Yeaney 3:00P-4:00P in ILC104 "How to use the TI-89" ... Wayne Pace 5:00P-6:00P in ILC104 10	"How to use the TI-89" ... Wayne Pace 2:00P-3:00P in ILC104 "How to use the TI-83+/84+" ... Mark Riek 3:00P-4:00P in ILC104 11	Excel Basics #3 : What is a Formula ? / Enter / Copy / Paste / View Formulas 10:00A-11:00A in ILC114 "How to use the TI-89" ... Wayne Pace 1:00P-2:00P in ILC104  12

Partner with any of the tutors in the Math Center at the ILC. Let's form a learning community. Together we can find ways that will make remediation of students easier and certain teaching techniques that you find particularly effective.

In order to help students do their labs, projects, and other course requirements this calendar shows the workshops being offered by the ILC Math Center (MAIN CAMPUS). Please let your students know of this ILC service Thank you.
